

About College Development Council, SPU Mandi

The College Development Council (CDC) acts as a link between the University and its affiliated Colleges. The CDC plays a significant role in the development of its affiliated colleges and in maintaining high standards of education. The primary function of CDC is to conduct inspection of colleges and provide affiliation for various courses on year to year basis. Besides granting affiliation, the College Development Council also approves the selection of teaching faculties in affiliated colleges thus ensuring that the teachers of affiliated colleges are selected on merit as per the UGC regulations. The CDC undertakes the process of approval for addition of new courses, increase of intake in various courses in its affiliated colleges after taking into account the facilities, infrastructure and teaching staff available in the colleges/institutes. After establishment of SPU Mandi as a Second state University in April 2022, Colleges/Institutes located in five districts: Mandi, Kangra, Chamba, Kullu and Lahaul & Spiti have come under its jurisdiction and College Development Council of SPU has undertaken the exercise of conducting inspection of these colleges so as to assess the quality of education being imparted in these institutions and give recommendations for improvement before granting them affiliation.

A College Development Council (CDC) has been constituted for smooth and integrated development of underlying colleges. It shall have tenure of 02 years and shall meet at least once in a year. In this regard, following members are nominated to the College Development Council of Sardar Patel University, Mandi for the period: 1st January 2023 to 31st December 2024 as per details below:
